Local Tax Bills To Be Ready Early This Year

3 Townships Expected To Receive Tax Books From County This Week

Tax bills may be in the hands of local property owners before the end of May, several weeks earlier than last year. While not yet announced, the amount of the new tax bills is expected to be higher in Granite City, Madison and Nankook in Venice, and slightly lower in Venice.

Tax books are to be turned over to township collectors this week following extension of new tax rates in the office of Miss Louisa Hotz, county clerk. Several weeks will be required for preparation of tax bills by the collectors.

Miss Hotz has informed the Press-Record that the tax books for Granite City township will be available tomorrow or Wednesday for Township Collector Frank Sappington.

Work is not quite as far along on the Nankook and Venice township books, but they should be completed by the end of this week, the county clerk said.

Tax books already have been distributed to all other townships in Madison county. The local townships traditionally are placed last because their books include the East Side Levee and Sanitary district tax rate.

The \$7.184 county clerk's office and is usually not available until five to eight weeks after the Madison county rates. Miss Hotz said the tax totals for local townships have not yet been determined. Last year, local taxes amounted to \$7,791,864, including \$7,563,902 current taxes and \$1,872,662 back taxes. Of the \$7,563,902 new taxes a \$4,034,433, or 53.2 percent, was levied on the 1959-60 tax year. The levy district \$841,433, Madison county \$374,099, townships \$385,448, and \$1,178,882 for the districts \$7574 and street lighting district \$1717.

The \$7,184 Quad-City local consisted of \$7,331,974 for local collection and \$459,889 for the Quad-City for payment directly to the county.

Worker Crushed To Death During Loading of Barge

A Granite City Steel Co. chainman, Edward Chinault, 25, was crushed to death at 5:05 a.m. Sunday while helping load hot-rolled steel sheets onto a Mississippi Valley Barge Lines barge at the Chain of Rocks Canal harbor.

A resident of 316 Greenwood place, Collinsville, he was pinned against the side of the barge by a "lift" or pile of weighing a total of four tons. About 45 minutes were taken in careful efforts to extricate him without further injury, but he is believed to have been killed instantly. He has pronounced dead upon being taken by ambulance to St. Elizabeth Hospital.

A crane was being used to load the barge, Mr. Chinault was working inside the barge, checking timber blocking on the stacks of steel sheets. About 14 sheets, each 34 feet long and weighing 2800 pounds, were being lifted on the platform of the crane.

As the 20-ton load was lowered and turned at right angles to fit into the barge, one end of it touched the dock and the load tipped, witnesses said. The sheets began falling off and struck the pile of cold-rolled sheets, knocking it over against the worker.

An inquest is to be conducted by Deputy Coroner Henry Pfeiffer. The crane is being dismantled to determine if there was a mechanical failure.

Mr. Chinault is survived by a wife and one child. His remains were taken to Collinsville funeral home.

Police said Pulley was driving north on Madison avenue and struck the right rear of a northbound auto driven by Alice C. Rogers, 23, of 5359 Maryville road.

Boy, 8, Wounded In Neck As Rifle Bullet Ricochets

A Granite City boy, Thomas Marsh, 8, is in serious condition at McMillan Hospital, St. Louis, after being shot through the neck at 2:15 p.m. Sunday near the levee at the extension of Rock road.

As Doyle Tepper, 21, of 2100 Rock road and Edgar Pratt, 22, of 3131 W. 3rd avenue were practicing target shooting with a 22-caliber rifle, a bullet fired by Tepper glanced off nearby water and apparently ricocheted, striking the boy as he was picking "green" in the levee about 200 yards away.

He was rushed by James Cullen, 2031 Bryan avenue, and police to St. Elizabeth Hospital for emergency treatment and then transferred by ambulance to the St. Louis hospital. Going to the St. Louis hospital, the boy played with his grandparents, Mr. and Mrs. Curtis.

The mishap was investigated by Granite City police and the St. Louis police. Tepper and Pratt were questioned. Tepper and Pratt told them he stopped firing after he heard someone yell that a boy had been shot. By the time the two reached the scene, they saw the boy was being driven away in Cullen's car and they followed it to the hospital.

Steve Carich, 2737 West 20th street, Fred Glog, 3005 Denver street, and George Carich, 2344 O'Hara avenue, also were practicing shooting outside of the city limits at the time of the mishap. Griffiths said Tepper and Pratt were released without charges.

Improvement of Main Street To Begin Next Week

Improvement of Main street, where additional traffic lanes and a bridge toll plaza will be kept open for traffic moving west off Broadway, May 9, Mayor John E. Lee announced at a press conference today.

Lee held Friday night to approve final plans for the 1959-60 fiscal year.

During phases of the Main street work, one lane will be kept open for traffic moving west off Broadway. Traffic coming east off the McKinley Bridge will be routed down Main and over Kerr street and Fourth street to Broadway, the mayor reported.

The plan was worked out in a conference last week with engineers from Hardesty and Hardesty, consulting engineering firm, for the bridge.

During the heavy use of Kerr street, the city will ask for rail road crossing watchmen there around the clock instead of the 6 a.m. to 6 p.m. schedule.

Mayor Lee said the council is reviewing the first three years of his administration and expressing the hope for continued progress in 1960-61, the mayor said.

Emphasis will be placed on completing current street and bridge construction projects and on improving Venice sidewalks.

Resurfacing of Brown and McKinley streets is to be completed, and work is scheduled on both arterial streets and dead-end streets, Dr. Lee reported, adding that remodeling of the city hall is planned to achieve more efficient use of the office space.

Total For County Social Security Gain To Be \$65,300,000 In Five Years

(Special to the Press-Record) NEW YORK, May 2 — Merceus H. Thompson, county clerk, said today that the county can expect an increase in business from the older segment of the population during the next five years. It will stem from some \$65,300,000 that will be received in the form of Social Security benefit payments.

That is the estimated amount that will be paid to local workers and their families from the Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund.

It represents the proceeds from insurance and the payment of public assistance. The amount, which is considerably more than the payment made in Madison county in the past five years, is in line with estimates prepared on a national scale and presented to Congress recently by the trustees of the fund.

Explaining the general increase, the trustees state that the number of people eligible for benefits is increasing year by year. Also, a larger proportion of those receiving the retirement benefit of 65 are arriving with fully insured status and are entitled, therefore, to bigger pensions.

Firms To Be Honored Here Have Met Long Series of Challenges in Serving Public

Many of the pioneer Quad-City firms to be honored Wednesday evening by the Associated Retailers and Chamber of Commerce have histories of persistence and achievement that add interesting sidelights to this nation's private enterprise system as well as contributing to the development of this community into an important and fast-growing industrial, commercial and residential center.

Of the more than 100 business firms in operation here under the same name or family ownership for periods ranging from 25 to 65 years, many had to overcome a seemingly unending series of setbacks, including a major economic depression and three wars. The changing times also have afforded a major challenge the firms in business here over 50 years. Literally had to convert from "horse and buggy days" to modern technology in order to continue effectively serving their customers.

The Quad-Cities owe much to the individuals, families and businesses cited for long service. The recognition to be afforded them this week is richly deserved.

Billions of Greeting Cards Spread Cheer To All Except Weary Mailmen

From the first valentine carved on a tree and the first scribbled note of birthday greeting, the practice of expressing good wishes in written form has grown into a huge business. A report by the Greeting Card Association shows that 5,250,000,000 greeting cards of all descriptions were sold in the United States during 1959.

Postage alone on the cards mailed last year came to \$200,000,000, or 7% of the total postal revenue of the U. S. Post Office Department. Excluding the Christmas season, mailing of cards averaged 7,000,000 a day during the year.

By the time the holidays are over and several billion cards delivered, weary postmen can be forgiven if they do not look forward to the rapid approach of St. Valentine's Day, not to mention St. Patrick's Day. Fortunately, most of them are back in a good mood by Easter, Mother's Day and Father's Day.

Only complaint currently heard is that at a normal rate of 7,000,000 greetings a day, each American, including postmen, should receive a card every 25 days. One mailman reports that it has been a long time between cards for him. His birthday: February 29.

The average businessman is against governmental aid to businesses other than his own.

Problem Of Too Many Failing To Vote Remains Unsolved

News item on April 4: Madison county's voter registration list totals 119,346. News item on April 25: Official canvass of the primary election shows that 37,783 ballots were cast.

Simple arithmetic reveals that less than 32% of the registered voters reached voting booths. Discounting some of the registration lists as obsolete, which might have been offset by a small percentage who failed to register, it still appears obvious that only about one out of three voters participated.

Participation by voters probably can never reach

100%, but the one-in-three average seems pitifully low. The percentage dips even lower in balloting other than the primary and general elections.

Some do not vote in the primary because they do not wish to record a party preference, but there are many thousands who do not have this feeling and still do not cast ballots. Some feel that there are so many votes that theirs can have little effect, but this has been disproved repeatedly by the close margins by which one candidate has won over another.

This is a busy, demanding world and most people find themselves with limited free time. Still, voting involves little time and trouble and is one of the duties imposed on residents of a democracy. Perhaps some new approach, some form of educational program, will be necessary to attract the two out of three who do not take the trouble to vote.

Madison Seeking Lower Fire Insurance, Some Steps Remain To Be Taken In GC

Madison officials' belief that their city's fire insurance rate may be lowered is heartening news for Madison property owners. The Illinois Inspection Bureau may change the city's classification from six to five upon inspecting the city's fire department after delivery of a new 750-gallon-a-minute pump truck in June.

Madison and Venice currently have a six rating and Granite City has seven, meaning that its fire insurance rate is slightly higher. Granite City has two 750-gallon-a-minute pumps and a brand new fire station, but does not yet qualify for a six classification. As understood before, it would be well for city officials to go over the list of factors necessary for qualification and then begin the changes one by one until all stipulations have been met. The possibility that Granite City fire insurance may be two levels rather than one level higher than other area rates makes such action even more imperative.

And it would mean thousands of dollars annually for property owners in this city.

The more any individual is certain he knows, the less he knows.

Growth Of Stockholders Reflects Faith In Future Of Nation And Its Economy

When it first became apparent that world war II had not eliminated all war-minded governments from the face of the earth, more than a few people became pessimistic and expressed doubt on whether any long-range planning was worthwhile. There was speculation that disaster was ahead, and approaching rapidly. Now, a new faith in the future has begun to develop.

An example of this faith is that the number of United States citizens who own corporate stock has doubled in the last eight years, climbing past the 13,500,000 mark. The total has increased by 50% since 1956, and has risen by 1,000,000 since January 1959. The stock purchaser today is relatively young—and he is buying for the future. Most of the buyers of stocks in recent months have been younger people, the majority of them in their thirties. Some husbands and wives team up together, and many persons younger than 30 are purchasing stocks. They are buying more and more as a hedge against inflation, and as a long-term investment in the future of the country, rather than as a speculative move.

The trend in stock buying is encouraging, since it reflects confidence in the United States and in long-term financing, based on the belief that the nation's economy will expand and grow. Certainly the growing number of stockholders is a healthy indication of the success of the free enterprise system. Millions now own a part of the big corporations which once were owned by only a few.

Circuit Clerk Simon Kellermann, 80, Dies

Simon Kellermann Jr., 80, of Edwardsville, circuit clerk who has been in the office since 1912, died Sunday morning in Jewish Hospital, St. Louis, where he was taken after suffering a heart attack at home.

Funeral services will be held at 9 a. m. Wednesday at St. Mary's Catholic Church, Edwardsville. Kellermann, known as the dean of the county court house, was reappointed on the Democratic ticket last April 12. The county's Central Democratic committee will name a candidate for the general election in November, with a special meeting to be called at least 50 days before the election by Chairman Walter Simmons of Venice. Gene Berghoff of Wood River, chief deputy clerk, was named as acting circuit clerk by the three circuit judges who met today.

Shots Given To 72 Dogs

Seventy-two dogs were inoculated against rabies Saturday afternoon at the Madison city garage. The total included 64 dogs owned by Madison and Venice residents and eight other dogs. The shots are required before issuance of city dog licenses, an act veterinarian is scheduled to be in Venice May 7 and 21 and in Madison May 14.

MORE ABOUT Long Established

(Continued from Page 1)

the coming into the business, he will represent the fifth generation to do so. Established in 1908, the business is owned by Earl A. Kahle.

The founder was his grandfather, A. J. Kahle. His son, Louis E. Kahle, has owned the business since 1938. Louis' wife, Mrs. Merle Kahle, is current co-owner with her son, Larry. Kahle represents the fourth active generation with the firm, which employs six persons.

Locations on State 19th and 20th streets were occupied by "Trattlers Men's and Boys' Shop" before the present site at 1326 Nidringham avenue was occupied in 1925.

The first founder, Joseph Trattler, first opened his doors in 1907. The business continues today under the direction of David and Sadie Linder and son, Daniel. Mrs. Linder was the daughter of Joseph Trattler. The firm employs eight persons.

First located on ground occupied by the present site, the Steel Co. office building, Mercer Funeral Home began operations in 1925. It has occupied the site of Ed Mercer and Joe Krill. The firm had been established 10 years when a flu epidemic struck and the home conducted 50 funerals in a period of just over two weeks.

With five employees, the business today is owned by Col. Frank Mercer and Robert Thomas. It has occupied its present site since 1917.

Another firm which can claim 52 years of continuous operation is the Holsinger Agency, which until a short time ago dealt in both insurance and real estate but has since combined most of its operations with another real estate and insurance firm. Founded in 1908, the firm is located at 1410 Nidringham avenue.

Until he retired recently, Christ L. Stoyanoff was the operator of Stoyanoff Grocery, 912 Nidringham avenue. The firm is 50 years old, and Stoyanoff's wife, now runs the business.

The store was first located "on the levee" where the present City Engineer Depot now holds property. Begun as a grocery, the firm later became a dry goods store, with the owner getting back into the grocery business in 1935. The business has been moved three times, each time to a different location in the 900 block of Nidringham avenue.

The Granite City Press-Record had its beginning as a printing shop back in 1903, with Charles Judd the first editor. Judd later turned the business over to a brother, John B. Judd. The firm was first located at 1746 State street.

The newspaper now employs 39 persons and is located at 1815 Delmar avenue. C. E. Townsend is the editor and publisher.

1st Assembly Of God Church Groundbreaking Ceremonies Held Sunday

Approximately 300 persons attended the groundbreaking ceremonies for the First Assembly of God's new sanctuary at 24th street and Grand avenue Sunday morning. The service was held at 10 a. m. and was presided over by Rev. P. H. Toliver, executive secretary of the Illinois district of the Assemblies of God, one of the first 12 Assemblies of God Churches in the state.

Rev. Paul A. Evans, pastor of the church, was in charge of the groundbreaking ceremonies, and Rev. James Craddock, pastor of the Central Christian Church and president of the Tri-City Ministerial Association, presented the benediction.

Mayor Leonard Davis gave a brief congratulatory speech and a representative for the congregation spoke at the ceremony which began after the regular Sunday morning church service.

The new \$152,000 sanctuary will be built with an eye toward the future and to the comfort of the congregation. The future was considered when plans were made to construct one curtain wall, not supporting the roof, on the 23rd street side. The ten-inch wall could be torn down without endangering the structure of the building should the future congregation decide to widen the

church. The other three walls, also ten inches thick, will bear the blint of supporting the roof of God's new sanctuary at 24th street and Grand avenue Sunday morning. The building will be able to seat 500 persons on special occasions with 378 in the nave, 114 in the balcony and 70 on the sides of the nave in what the architect calls the "overflow area."

Other features of the new building will be a large basement fellowship hall with kitchen facilities, a crib room for children with toilet facilities, a coat room and air conditioning.

The Baptistry will be recessed two feet in the floor of the pulpit area and will be hidden from the congregation's view by a small room and divider decorated with live plants.

The new sanctuary, of modern architecture, should be ready for use within a year after construction starts sometime in June. Fields said.

There was no damage except to the cars, which were being scrapped, and an attic and back room of the house.

Venice high school's Clarence Hand set two conference records during running of the Madison-Bond-Clinton County Conference track meet Thursday afternoon in Venice, but the Red Devils finished third in the winner Triad and runner-up Bunker Hill.

Hand established a conference record with a time of 23.4 in the preliminaries of the 220-yard dash, clipping two-tenths of a second off the old mark, and then returned to win the broad jump event with a leap of 7'6, one and a half inches better than the previous conference record.

Final point totals in the meet were Triad 59, Bunker Hill 34, Venice 22, Aviston 15, Livingston 9 and Wenden 3. Conference members St. Paul, Lexington and Wenden of Trenton were not represented in the meet.

Hand tripped as he crossed the finish line of the preliminary 220 heat in the afternoon filled with accidents. He was filled to bypass the 100-yard dash event. In the finals of the 220, he was tripped. The Red Devils' Pete Fields was forced out of the meet when he suffered a spike wound on his right leg.

In the third record set on the Venice track, Bunker Hill's middle distance runner, Bill Scroggins, chopped six-tenths of a second off the 880-yard mark with the time of 2:06.2. He took first in the 500-yard dash.

5th Straight Shutout

Warrior Net Squad Downs Kahoks 5-0, Remains Undefeated In SWC

Not since Edwardsville scored a point against Granite City in the Madison county track meet has the Warriors net team been scored upon.

Coach Dick Harmon's Redmen, coached by David Moss, gained their fifth straight shutout Thursday afternoon, with Collinsville the victim by 5-0 at Wilson Park.

The Warriors now have won 24 straight Southwest Conference matches over three years. They are 7-0 overall this year and 5-0 in the conference.

David Moss had his most trouble of the year but still defeated Collinsville's Pat Darling in straight sets in the No. 1 singles, 6-1 and 6-3. It was the first time this season that Moss had lost more than two games in a set.

GC Thinclads Finish 6th In SWC Relays, Alton Wins

"If we had one outstanding distance runner we might have placed as high as third," Jack Richardson, Granite City track coach, said after the Warriors finished sixth in the Southwest Illinois Conference relays at Alton Friday night with 30% points.

The Warriors failed to score points in the distance medley relay, the two-mile relay and the 100-yard dash relay—all events where a good half-mile is essential. Granite City took one each of the 100-yard dash and two fourths and tied for fifth in one event.

Alton walked away with the title, scoring 97% points, and was followed by East St. Louis with 53.6, Edwardsville 37.1, Belleville 37 and Collinsville 36. Wood River was seventh with 32.

"A third of fourth in a couple of those distance events would have given us points that would have been taken away from the other teams. Edwardsville finished with just seven points in the 100-yard dash, Alton took the lead in the 100-yard dash with a time of 5:7. Tony Penetration of Edwardsville was the victor.

The broad and high jump and pole vault events were hampered by wet pits caused by an all-day rain Friday. A record was set in the pole vault, however, when Dan Dancy of Alton vaulted 12-7 feet. He might have gone higher, but it started to rain again and officials halted him for his own safety. John Grobovski vaulted 10-6 to tie for fifth.

The Warrior mile relay team of Bob Summers, Ron Ruppel, David Davis and Fred Hackle took third with a time of 3:41. Alton won with a time of 3:33.8. Summers paced the Granite City team with a quarter-mile time of 53.3, his best for the year.

Jim Chandler, Larry Whitsell, John Allen and Richard Love seemed to take third place in the junior 880-yard relay for the Warriors with a time of 1:42, compared to Belleville's winning mark of 1:38.1. Granite City's time was considered good because it was seeded seventh in the race and was placed in the seventh lane, a handicap in any race.

The shuttle hurdle relay team composed of Ruppel, Grobovski, Ken Davis and David Davis took third with a time of 2:58. Granite City took fourth in the 440 and 880 relays.

Coolidge 9th Grade

Thinclads Nosed Out By Assumption

Frank Kraus' Coolidge ninth grade track squad, idle for two weeks, moved back into action Thursday night when they were nipped by Assumption of East St. Louis on the local clinders Thursday, 54-50.

"If we only could have scored more second places we would have won," Kraus said after the loss. "Being blanked in the 100-yard dash really hurt, as did the three-place finishes in the 200, 440 and 880."

The Braves' track squad finished five firsts, including a win in the 100-yard dash, but not usually a strong point for Granite City athletes in recent years. Larry Wortham won the individual star with two firsts. His best toss of the season was the discus with a distance of 106-6, and he broad jumped 17-8, 109, 109, 109.

Dennis Petroff won the 120 low hurdles in 15.0, the 880 relay team composed of Bill Lancaster, Tom Vasiloff, Petroff and Wortham won in 1:45 and George Moore high jumped 4-8.

The other events, times and Coolidge finishes: 50, 6.0, Lancaster 2nd, Vasiloff 3rd; 100, 10.9; 220, 3.9; Lancaster 3rd; 440, 59.5, Vasil Vangel 3rd; 880, 2:19.0, Bill Ashby 3rd; pole vault, 8-6, Ashby tied for second; shot, 43-5, Wortham 2nd; discus, Petroff 2nd.

Collinsville Nine Downs Warriors 3-2 In Important Conference Game

"It was just one of those games," Granite City Baseball Coach Joe Fedora moaned after the Warriors lost the Southwest Illinois Conference lead Thursday afternoon as Collinsville nipped the Redmen 3-2 on the local diamond.

"You can't place the blame on any one boy; we made many fielding and mental errors and lost the game—it was as simple as that," he said. "It just seems a shame to give the loss to Joe Holder. He pitched a whole of a ball game."

Each Kahok run was unearned, as Granite City committed five errors, three more than the Warriors have in any one game this season.

By dropping the decision to the Warriors, the Warriors have only a slim chance of winning the conference title.

The Kahoks are now 5-0, with only the weak Wood River team to face in the remainder of the season. Granite City is now 3-1, with games scheduled against Alton and East St. Louis.

Fedora's nine threatened both the sixth and seventh innings, but could score only one run after getting a single tally in the fourth.

Warrior Hopes Rise In the seventh, Larry Dick got to first base on an error and was forced to second by Bob Hoffer. Warrior hopes soared momentarily when Rich Williams lined a bullet to left field, but it was caught. Hand the ball gone just a few feet to either side, it also with the help of an error.

With two outs, spirits again picked up when Bob Price lined a single to left field, but the rally was cut short suddenly when Dick Williams' shortstop moved to third on John Rains' single and scored on a wild pitch.

Student Cuts Legs In Track Meet Mishap

Peter Fields Jr., 14, son of Mr. and Mrs. Peter Fields, 212 Abbott street, suffered cuts to both legs and right knee when he fell while running in a relay race in the Madison-Bond-Clinton Conference track meet Thursday afternoon in Venice.

The Venice high school track squad member was taken to St. Elizabeth Hospital where the cuts were cleaned and dressed. Fields won the track meet with the team finishing fourth.

Also treated at the hospital were Suzanne Shoemaker, 8, daughter of Mrs. Albert Shoemaker, 400 East Chase of Rocks road, Mitchell, and Russell McGovern Jr., 10, son of Mr. and Mrs. Russell McGovern, 3016 Warren street. Both youngsters suffered cuts in mishaps at school. Suzanne cut her right arm while running in the play ground of Mitchell school, and Russell cut his forehead when he tumbled suddenly and ran into a wall inside Marshall school.

Basketball Game Nets \$165 For GC Marquee

Teachers downed Granite City high school letterman 48-42 in a benefit basketball game played before 400 spectators Thursday night in the memorial gymnasium.

The game was sponsored by the lettermen in the hope of raising enough money to purchase an outside marquee for the high school which would announce coming events. An early tally indicated receipts of \$165 from the game, with many lettermen yet to turn in their sales.

Jim Chandler, Larry Whitsell, John Allen and Richard Love seemed to take third place in the junior 880-yard relay for the Warriors with a time of 1:42, compared to Belleville's winning mark of 1:38.1. Granite City's time was considered good because it was seeded seventh in the race and was placed in the seventh lane, a handicap in any race.

The shuttle hurdle relay team composed of Ruppel, Grobovski, Ken Davis and David Davis took third with a time of 2:58. Granite City took fourth in the 440 and 880 relays.

Collinsville Nine Downs Warriors 3-2 In Important Conference Game

"It was just one of those games," Granite City Baseball Coach Joe Fedora moaned after the Warriors lost the Southwest Illinois Conference lead Thursday afternoon as Collinsville nipped the Redmen 3-2 on the local diamond.

"You can't place the blame on any one boy; we made many fielding and mental errors and lost the game—it was as simple as that," he said. "It just seems a shame to give the loss to Joe Holder. He pitched a whole of a ball game."

Each Kahok run was unearned, as Granite City committed five errors, three more than the Warriors have in any one game this season.

By dropping the decision to the Warriors, the Warriors have only a slim chance of winning the conference title.

The Kahoks are now 5-0, with only the weak Wood River team to face in the remainder of the season. Granite City is now 3-1, with games scheduled against Alton and East St. Louis.

Fedora's nine threatened both the sixth and seventh innings, but could score only one run after getting a single tally in the fourth.

Warrior Hopes Rise In the seventh, Larry Dick got to first base on an error and was forced to second by Bob Hoffer. Warrior hopes soared momentarily when Rich Williams lined a bullet to left field, but it was caught. Hand the ball gone just a few feet to either side, it also with the help of an error.

With two outs, spirits again picked up when Bob Price lined a single to left field, but the rally was cut short suddenly when Dick Williams' shortstop moved to third on John Rains' single and scored on a wild pitch.

Warrior Net Squad Downs Kahoks 5-0, Remains Undefeated In SWC

Not since Edwardsville scored a point against Granite City in the Madison county track meet has the Warriors net team been scored upon.

Coach Dick Harmon's Redmen, coached by David Moss, gained their fifth straight shutout Thursday afternoon, with Collinsville the victim by 5-0 at Wilson Park.

The Warriors now have won 24 straight Southwest Conference matches over three years. They are 7-0 overall this year and 5-0 in the conference.

David Moss had his most trouble of the year but still defeated Collinsville's Pat Darling in straight sets in the No. 1 singles, 6-1 and 6-3. It was the first time this season that Moss had lost more than two games in a set.

The Warriors failed to score points in the distance medley relay, the two-mile relay and the 100-yard dash relay—all events where a good half-mile is essential. Granite City took one each of the 100-yard dash and two fourths and tied for fifth in one event.

Alton walked away with the title, scoring 97% points, and was followed by East St. Louis with 53.6, Edwardsville 37.1, Belleville 37 and Collinsville 36. Wood River was seventh with 32.

"A third of fourth in a couple of those distance events would have given us points that would have been taken away from the other teams. Edwardsville finished with just seven points in the 100-yard dash, Alton took the lead in the 100-yard dash with a time of 5:7. Tony Penetration of Edwardsville was the victor.

The broad and high jump and pole vault events were hampered by wet pits caused by an all-day rain Friday. A record was set in the pole vault, however, when Dan Dancy of Alton vaulted 12-7 feet. He might have gone higher, but it started to rain again and officials halted him for his own safety. John Grobovski vaulted 10-6 to tie for fifth.

The Warrior mile relay team of Bob Summers, Ron Ruppel, David Davis and Fred Hackle took third with a time of 3:41. Alton won with a time of 3:33.8. Summers paced the Granite City team with a quarter-mile time of 53.3, his best for the year.

Jim Chandler, Larry Whitsell, John Allen and Richard Love seemed to take third place in the junior 880-yard relay for the Warriors with a time of 1:42, compared to Belleville's winning mark of 1:38.1. Mercer, Sacred Heart Blast White City, Carpenter For 2nd Inter-City Decisions

Mercer Funeral Home, Sacred Heart and Collinsville stepped into the role of top contenders in the Inter-City Baseball League yesterday. They became the first double winners and are without a defeat.

Getting top pitching again, the Hearts downed Carpenter 6-1 to remain tied for first in the Red division. Collinsville, however, beat Highland 16-2, Mercers 4-1, a three-way tie for first place in the division with a resounding 13-3 decision over White City.

McAteer Glass, defending champion, downed Troy Redbirds 10-3 for its first win and East St. Louis' other entry, State Savings and Loan, did likewise by stopping Maryville 5-2.

Page All The Way

Right-handed Bob Page went the distance for the Hearts, giving up only five hits to score his second win. He walked five and

struck out four. The squad backed Page with a 10-hit attack, with triples by Ed Opich and Tim Falk and two hits by Howard Etherton, who drove in two runs. The Hearts scored three in the first, thanks to three straight walks.

Carpenter picked up its lone tally in the fourth, and Sacred Heart came back with two in the fifth and a final tally in the sixth.

16 Hits For Mercer
Mercer walked two White City batters for 16 hits and played errorless ball for the second straight week, while the host team made six miscues.

Andy Angelford worked four innings, giving up four hits and one run and striking out five. He tied in the fifth, and Co-Manager Dick Portell came on in relief, allowed four hits, struck out six and was charged with the two final runs White City plunked in the sixth.

Mercer scored once on a hitting spree. The Mercer outfield, or collected four hits in six trips, including a sixth-inning double that climaxed a four-run outburst.

Mercer scored once in the first, twice in the second, three times in the fourth, twice in the fifth and once in the final frame. Roger Wells of the winners had three hits in six trips. Bob Jones and Angelford hit safely twice, and Jones and Wells whiffed doubles.

Sportsmans, Polish Hall, Mary's Place, Briggs Win

Sportsmans collected 15 hits to down Bookies Homestead 10-1. Don O'Shila had three hits in three trips, including a double, while Jesse Ybarra went two-for-two, including a triple. Cotton Singler and Bob Burns formed the winning battery. Jody Mikol took the loss, with Bud Grimes behind the plate.

Home of the Blues rapped 12 hits, but most were wasted as Polish Hall won its first game 11-1. Francis Dant of the winners was three-for-four. Nick Asberger was the winning pitcher, while Joe Burns of the losers was three-for-four.

Mary's Place and Club Delmar hooked up in a 37-hit slugfest, with Mary's Place winning 15-12, as Pitcher Steve Hurdysky connected for a home run. Charles and Ted Sabo each eluded homers for Club Delmar. Ed Bargiel was behind the plate, with Harold Schmitz and Jerry Howell forming the Club Delmar battery.

Trotts Sparkles In Relief, Madison Wins 15-10 Donnybrook From Bethalto

Dan Trotts, mixing an occasional fast ball with his slow curves, kept Bethalto batters off stride for the final two innings in Madison Thursday afternoon as the Trojans won their fourth MVC diamond game in seven trips this season, 15-10.

The visiting Eagles competed with the host team in a real slugfest which saw a total of 21 base hits, including a three-run homer by the losers' Ron Cox in the first inning. Madison collected 13 hits.

Madison, trailing 3-1 after 1 1/2 innings of play, exploded for five runs to take the lead in the home half of the second. Successive singles by Troy Modruskie, Dick Kisser, Dan Hyvick and Frank Hildeg got things started against Civic Memorial's left-handed pitcher, Florin.

An error, hit batsman, sacrifice fly and wrap-up single by Jerry Grabanski got runs four and five home. Madison picked up single runs in the third and fourth while the Eagles collected two in each frame.

Kisser got his second hit, double, to open the third and rode home on Hyrsko's second one-base hit. Walters' second strike for the final two innings followed by Modruskie's second hit, played the Trojans' eighth run in the fourth.

Bethalto forged ahead 10-8 in the fifth with three runs, but Madison came back in the sixth with four in the bottom of the fifth to grab the lead for keeps.

Kisser collected his third hit, and starting Pitcher Georgeff singled him to third and stole second. A fielder's choice, walk and error followed.

Griggs' two-run double, on which he came all the way around to score when the Eagle centerfielder let the ball get by him, highlighted a three-run inning.

Trotts relieved Georgeff with two outs and the bases loaded in the fifth. He set down four straight batters before walking the first two he faced in the seventh, and then used a strike-out and two pop flies to pick up the win.

'Y' Swimmers Win Dual Meet With Alton

The YMCA swimming team broke a long "dry spell" by winning its first meeting in 12 years in the local "Y" pool Saturday, defeating visiting Alton by a narrow margin, 46-42 1/2.

The swimmers competed in three age groups. Only local winner in the 9-10 class was James Dunn in the 20-yard free style. Alton entries were first in the breast stroke, butterfly and back stroke, also 20-yard events, and the 80-yard medley relay event.

Harry Keeton and John Evenden of the local "Y" tied for first in the 40-yard free style in the 11-12 age group. Evenden won the 40-yard backstroke in his age division. Alton swimmers won the breast stroke, butterfly and relay.

Scouts Events
Planned For
1960-61 Year

Plans were made for the Sep-
tember 1960-August 1961 scout-
ing year during a program plan-
ning conference and dinner held
Thursday night at the American
Steel Foundries. Fifty-five
scouts from the Cahokia
Mound Boy Scout Council attend-
ed.

Major events and activities
were discussed, and final plans
for them will be announced at
the May executive board meeting
at Camp Graham. Prior to this
meeting, suggested dates will be
correlated to avoid overlapping.
Group leaders Thursday were
Richard Wohltag, activities;
Jack Friedman, advancement;
John X. Andersen, camping;
Henry Fichte, finance; Milton
Morris, leadership training; New
John Digiacom, organization
and extension; Rollie Henn, com-
missioners; and Cliff Blanken-
ship, health and safety.

The scouts were the guests of
Council President Richard
Tibbals, American Steel works
manager, who presided. A film,
"Triumph in Tomorrow," was
shown.

Girl Scouts Seek \$30,000
For Camp Improvements

The Tri-City Girl Scout Coun-
cil has begun a month-long drive
for \$30,000 to be used to com-
plete its new winter lodge and
improve the grounds of Camp
Lakota near Glen Carbon. Drive
Chairman Alex Schenhorffer said
today.

Funds realized from the drive
will be used to purchase kitchen
equipment, cots and other in-
terior furnishings, and to im-
prove the road to the Girl Scout
campsite.

The fund drive committee held
its initial planning meeting last
night at 741-City Girl Scout
headquarters.

and belief that "certain Madison
and St. Clair county election of-
ficials actually marked ballot
for voters and, in many cases,
did not follow directions of vot-
ers, but instead marked the bal-
lots for the defendants.

"During the course of the elec-
tion, many hundreds of persons
were forced to ask for assistance
at the polls who were not en-
titled to receive help. Also, no
affidavits of assistance were ad-
ministered prior to giving of as-
sistance, and some affidavits
were improperly executed.

Non-Resident Voting
"Non-residents and short-time
residents were allowed to cast
votes. Properly registered voters
were refused the right to vote
although they were present at
precincts and made demands to
vote.

"Judges and clerks allowed
electioneering at a point close
to the polls, which was con-
trary to the Illinois revised sta-
tute." Eli said tally sheets
marked by some judges and
clerks were re-marked, written
over, amended and corrected
without indicating which errors
were found and what corrections
were made in the presence of all
precinct election officials.

"Because of the allegations list-
ed, Eli concluded that it has
been impossible to determine the
number of votes properly cast
for each candidate.

A St. Clair county hearing on
the case was scheduled for to-
day. It was not known whether
a request for change of venue
also would be heard today.

Two Traffic Charges
John W. Douglas, 24, of 1066
Iowa street, Madison, was ar-
rested at 9:18 p.m. Saturday

ning a stop sign at 18th and
State streets. He posted his
driver's license and was released
until a hearing today.

S. African Unrest Fails To Disturb GC Couple

A seven-week tour of South Africa, which landed them in the middle of the current unrest in that country, was for the most part a very pleasant experience for Mr. and Mrs. Joseph Rill of Granite City. Mrs. Rill told the Press-Record today.

The Rills made the trip to South Africa at the invitation of the South African government.

Although never actually caught up in any of the outbreaks of rioting which occurred in Johannesburg and other South African cities, the Rills came as close as was comfortable.

See Protest March. "During our stay we went to the 'week's vacation' to Durban," Mrs. Rill said.

"We arrived in the beach city on a Thursday, and on the following day, Friday, April 1, was a protest march by natives whose leaders had been jailed in a confinement just a few days before our arrival."

"The Rills steered clear of any demonstrations, and were never required by the South African government to report their whereabouts or prevented from moving about the country."

"Edwin doesn't seem to be worried about the situation here," Mrs. Rill said.

She then added that he felt conditions in the country would get better before the year was over.

"The Rills' son has his wife and

Five Small Children In Whitnabank and Plans to Remain There for About Another Two Years.

Outside of their brief bus trip with the demonstrations in Durban, together with constant reports of trouble and unrest received from other parts of the country, the Rills' stay in South Africa was a pleasant one.

They traveled by jet airplane to the country, touching down in London, Rome and the Sudan before arriving in Johannesburg. A goodly portion of their time was taken up with traveling and sightseeing.

5000 Miles By Car. The Granite City couple traveled an estimated 5000 miles in the country by car, including trips north to Victoria Falls and a game preserve, where they snapped many pictures of the African big game and wild life running free.

The only time their movements were regulated was when they entered an all-native compound to attend church services conducted by Edwin Rill's father-in-law, who has been a missionary in South Africa for over 40 years.

"We were required to get passes to enter the compound at that occasion," Mrs. Rill said.

There were about 600 natives and six white persons at the service.

The Rills returned here last week via Nyrobi, Kenya, South Rhodesia, Nice, and London.

"We flew by jet all the way to Johannesburg, but coming back had to fly by prop plane, since most of the jets in Europe were attending (Princess) Margaret's wedding," they said.

Judo Classes Close With Meet At Y Saturday

George Moran, Morris Lambert and Bill Haynes finished 123 in a special judo meet conducted in conjunction with the close of a six-week beginning course in judo at the YMCA Saturday.

The meet was conducted under the supervision of the Granite City Judo club, with 25 boys aged eight to 13 taking part.

Instructors were Marvin Rose, Wally Kerr and Bob Blinn.

Bob Whelan, president, said the demand for additional instruction in the sport has prompted his organization to make plans to offer a five-week course this summer. Details will be announced later.

Fined On Two Charges

Marin Vazquez, 33, of 2520 Hemlock street, who was arrested early today at 27th street and Madison avenue by Granite City police on three traffic charges, pleaded guilty this morning before Police Magistrate Casparovic.

He was fined \$10 on each count—operating a motor vehicle without a driver's license and driving on the wrong side of the street—and was fined a total of \$30. He pleaded not guilty to driving while under the influence of liquor and his bond was set at \$500.

Confidence Game Nets \$103 From Local Worker

Robert Willis, 34, St. Louis, an A. O. Smith Corp. employee, notified Madison police at 4:40 p. m. Friday that he had just been swindled out of \$103 in money after cashing his paycheck at the Madison bank. He blamed a heavy-set man who had cost him in a nearby parking lot.

The swindler, currently being sought by the police, was described as a Negro, six feet tall, 160 pounds, wearing a mustache, 20 to 30 years old and wearing a felt hat, slipper army socks and dark trousers.

Displaying a large bankroll, the man asked him if he knew where he could find a hotel. Willis replied in the negative, declined a card game, agreed to drive the man to Venice and accepted an offer of a drink. He quoted the man as saying, "Before we go into this place, we better put our money together for safekeeping and put it in your car trunk."

Willis gave the man the \$103 and thought he saw him put it with the roll of bills in a handkerchief. The handkerchief was placed in the trunk, and the man entered Willis's Tavern, 1201 Leavenworth street, Venice. When he failed to reappear in a half hour, Willis went to the trunk and found that the handkerchief contained only a piece of cardboard. The man was gone from the tavern.

Madison police said it was the first instance of a "confidence game" reported to them this year.
